### **Career objective:**

Obtaining a Challenging position in reputed Organization. When I can utilizing my subject Knowledge, communication, and technical skills for the development of the Oraganization.

### **Educational Qualification:**

1. I completed my Diploma in the stream of Electronics and Communication Engineering in 2010 at Ramakrishna Polytechnic Srinivasapura with aggregate of 65.01 %.
2. I completed my First PUC in the Stream of Computer Science in 2007 at National Collage bagepalli.
3. I completed my SSLC in Govt. High School in 2005 at pathapalya with aggregate of 73.012%.

### **Professional Experience:**

- 1) Started my Career in Centum Electronics from 06-Aug- 2010 to 10-sep-2012 as a Technician.
- 2) Worked in DRDO (MTRDC) from 14-march-2013 to 14-Sep-2015 as a technician.
- 3) Workedin Flextronics Technologies Pvt. Ltd from Oct-4-2015 to June -2017 in store as a Store Associate.
- 4) Worked in CEM solutions technologies pvt.ltd from Dec-01-2017 to Nov-2018 worked as a Quality department.
- 5) Worked in Tecno system India Electronics pvt.ltd from 7<sup>th</sup> Jan-2019 to 28-June -2019 as a Production in SMT line.

**Total Professional Experience:Having 07 and half YearsExperience in Electronics domain.**

**CENTUM ELECTRONICS LTD:** Formerly called as SOLECTRON EMS INDIA Pvt.ltd is an Indo-US Joint Venture Company. Solectron corporation is one of the providers of complete product lifecycle services offering collaborative design and new product design and new product introduction, supply chain management, Lean manufacturing and aftermarket services such as product warranty repair and end-of-life support to leading customers worldwide

### **Job Profile:**

1. Testing and Inspection of PCBA's.
2. Incoming Inspection of a PCBs before assembly.
3. Soldering and Reworking of SMD's and pin through hole components.
4. Participating in FMEA.

5. we are inspections of assembled PCB's, defects are component missing, polarity change, missalignment, Excess solder, component shift, tombstone, insufficient solder, solder balls, no solder, Solder bridge  
Component damage, missing component, No solder etc.
6. Our projects like ABB, L&T, DATAMATIC, AEG, TEJAS and DEFENCE & AEROSPACE (D&A) Customers.
7. Maintenance of Daily checklist, weekly checklist, Calibrations check of soldering temperature.
8. We are using Non-ROHS lead for soldering
9. SMD packages are 0201, 0402, 0603, 0805, 1206, 1210, 1812, 2255 etc.
10. We awareness of Kaizen activities.
11. ISO 9001 and 14001 are among ISO's Standards over 9001 helps organization of Implement of Quality management, ISO 14001 helps organization to implement Environmental Management System

**DRDO(MTRDC):** DRDO is a Defence research and Development Organization.

#### **Job Profile**

1. Assembly of SMD components on Printed circuit boards.
2. Testing of PCB after assembly
3. Assembly and Testing of a mixed signal boards.
4. Assembly and Testing of a RS-232 to USB converter boards
5. We supporting in assembly and soldering of sarwagna Project to the Scientists

**FLEXTRONICS:** FLEXTRONICS is a leading in electronics and manufacturing services provide focused on delivery complete design and manufacturing services to automotive, Computing, consumer industrial infrastructure, Medical and Mobile OEM's with acquisition of Solectron. The Head Quarters in Singapore.

#### **Job Profile:**

1. As per pick list requesting of components, to pick the components and  
Given parts to the Production and close the order
2. Receiving materials and check the part number and quantity as per invoice copy.
3. Update in after checking the parts in Excel sheets.
4. To keep components identify in racks from the A to Z respective bins and part number.

#### **TRAINING ASPECTS:**

1. Successfully taken training for 5's activities.
2. Soldering and rework
3. Undergoing Training for ESD, MSD
4. Undergoing training for ISO 9001 and 14001

**CEM solution:** CEM follows a proven product development process that is based on ISO 9001 standards. This state-of-the-art process has been designed to incorporate concurrent design

Methodologies, experienced program management and leading edge development tools. Our design services form a critical first step in supporting customers throughout the entire product life cycle

Leveraging expertise in electronic products manufacturing, CEM works with its customers to strengthen product design & shorten time-to market.

**Computer Skills:**

- **Operating System** : Windows 98/2000/XP/Windows 7
- **General Software's**: MS Word, MS-Excel

**STRENGTHS:**

1. Self-disciplined, self-confident & Hard Working
2. Co-operative and adjustable nature
3. Strongly Self Motivate
4. Willing to learn new things

**PERSONAL DETAILS:**

Name	-	Santhosh P.N
Father's Name	-	Nagaraja
Sex	-	Male
Date of birth	-	8-August-1989
Nationality	-	INDIAN
Mother Tongue	-	Kannada
Marital Status	-	Single
Language's Known	-	Kannada, English, Hindi, Telugu
Permanent address	-	Santhosh P.N s/o Nagaraja, Plot #17, Bhairaveshvara Nilaya, Butterfly gardens, Vader Manchanahalli, Jigani hobli, kallbalu Post, Anekal taluk, Bangalore-560105

**Declaration**

I hereby declare that the above given information are true to the best of my Knowledge and belief and can be supported by certificates in case of requirement.

**THANKING YOU**

Date : yours faithfully

Place : (Santhosh P.N)
