

OBJECTIVE
Engineering professional with Technical background seeking a challenging role requiring a generalist/specialist with a hand on experience in Project management, Process Designing, Marketing-Proposals, Vendor coordination and onsite debottlenecking for various chemical , food , pharmaceutical sector

ACADEMIC PROFILE			
PG Diploma	MEER's MIT Pune	-	2011
B. E. (Chemical)	AISSMS college of Engineering, Pune	72.0%	2006-2011
Class XII (Maharashtra State Board)	Fergusson College, Pune	65.44%	2006
Class X (Maharashtra State Board)	Sundarbai Marathe Vidyalaya, Pune	88.3%	2004

CORE STRENGTH	
<ul style="list-style-type: none">Project ManagementTeam Coordination and managementHigh Impact presentation and public speakingMarketing through Technical assistance	<ul style="list-style-type: none">Strategic Planning and AnalysisComputer ProficiencyAnalytical SkillLeadership

PROFESSIONAL EXPERIENCE	
Arya Engineers & Contractors Pvt Ltd Asst. Project Manager (Project/ Process Engineering Function)	Apr '15 - Present Location - Pune
<div>Roles & Responsibilities</div> <ul style="list-style-type: none">Proposal- Preparation of Project proposal to generate enquiry and project allotmentProject Management- Overall project management for detail engineering, procurement, technical assistance, erection of project, commissioning and project handoverISO documentation- Maintaining the ISO documents to maintain the ISO 9000: 2008 certification for upgradation and future perspectiveMarketing- Marketing of the company profile for business growth and achievement of new customers/clientsTechnical Troubleshooting- onsite assistance to localized technical problem resolution of any plant including process and operational issue, utility starvation to system, automation and controls of the packaged item and plant , Product material quality testing and in laboratory and prepare documentProject Management- Project records and tracking the schedule through software assistance Like Microsoft Project , Asta Power point	

Achievements

Cadbury India Ltd. (Mondelez International) :- (Client's repeat order)

- There are total **four+** nos. of food projects are completed successfully in Induri Pune (and Sricity, A.P.) as Design and Project Engineer-Lead 1. Silk Oreo chocolate, 2. Bournville chocolate, 3. Temptation chocolate, 4. Tang (sricity) etc.

GLV India Ltd (repeat order)

- This is a turnkey solution industry into Pulp and Paper production and I have deal with 1. Kauntam Papers Ltd-Brown Stock washing, 2. Pragati Papers Ltd- Centri-cleaner and vacuum drying system.

Sarex Overseas/Sarex chemical (repeat order)

- There are total four nos. of expansion into existing plant of textile and specialty organic chemical production with upgradation of all utilities

Sapthagir Camphor Ltd, Hyderabad- Distillation process for Camphor and camphor oil production Basic & detail engineering

Burgan Cape, SA- HSD Gantry project for detail engineering

Pharma Access, Bahrain-Detail Engineering-Bulk MTO

Total Gaz, Mangalore Jetty No. 13 LPG mixing arm- Detail engineering

Otsuka Chemical , Keshawana (RJ)-pharma bulk drug production-Detail Engineering

JFE-Yangon Project-power piping engineering-detail engineering

LIPICO Technologies India Pvt Ltd Project Engineer (Project Management Function)

**Sep'14 – Mar'15
Location – Pune**

Roles & Responsibilities

Project :- SIKOF (south India Krishna Oils & Fats, Nellore)

- Procurement assistance, PO generation
- Packages Inspection like Heat exchanger, Agitated vessels, Column Internals, Storage vessels, process equipments
- Vendor Management- generation of new vendors for project inventory, coordination for delivery items and scope isolation, tracking of the material deliveries to site, Official records to keep overall material control and project budgetary management

Arya Engineers & Contractors Pvt Ltd Jr. Process Engineer (Engineering Design Function)

**Jan'13 – Aug'14
Location - Pune**

Roles & Responsibilities

- Process Engineer – Development of P&ID using Cadworks P&ID software for various projects like edible oil, commodity chemicals, bulk drug, food , pharmaceuticals, pulp and paper sector
- Basic Engineering- Preparation of Process Flow Diagram, Block Diagram, Design basis and MOC diagram
- Detail Engineering- Preparation Bulk MTO for project tender document, Enquiry Specifications for process deliverables like special material, pumps, equipments
- Supplementary Documentation- Hazop study report preparation, Hydro-test loop preparation, C&E diagram preparation, Process Instrument Datasheet preparation etc.

UHP Technologies Pvt Ltd
Executive Projects (Project Management Function)

July'11 – Nov'12
Location – Mumbai/Bangalore

Roles & Responsibilities

Project 1:- SABIC (South Arabia Basic Industries Corporation), Bangalore

- Process Engineer – Design and develop the P&ID for plant as AFC drawing for procurement, Extract the BOQ for piping material, Package items, Support material
- Procurement Assistance- Develop the enquiry specification, vendor offer collection , analysis of offers
- Material Quality checking and store activities for records

Project 2:- Semiconductor Laboratory , Mohali (Kinetic System Israel)

- Project activities for installation of process equipment in class 1 to class 100 clean room with necessary High purity piping
- Manpower management for skilled & unskilled activities, project scheduling

Yeshawant Sahakari Sakhar Karkhana Ltd
Field Work Intern (Engineering Trainee Function)

Dec'10 – Jan'11
Location - Pune

Roles & Responsibilities

Project: - Industrial training under the title of study and develop continuous fermentation process for Alcohol production using different species of yeasts as a Assistant to Production Manager

- Laboratory scale production of alcohol using laboratory equipments
- Develop the lab scale production into pilot scale plant with enhancing the yeast count of mass
- Conversion of pilot scale production into batch production on commercial scale
- Transformation of Batch process into continuous process using Alfa Laval –Biostil (Switzerland) technique

SOFTWARE AWARENESS

- Aspen Plus, HYSYS, Pipe flow -Simulation Packages
- MS-Office, Open Office- Documentation
- AUTOCAD, ZW CAD, Navis freedom- Drafting package
- Engineering Base-AUCOTEK- Detail Engineering Module of DBMS for Process-Electrical-Instrumentation-Project Deliverable

INTERESTS & HOBBIES

- Reading Newspaper
- Trekking
- Gardening
- Playing Kabaddi
- Listening Music

OTHER DETAILS

- Married
- Nationality – Indian
- Expected joining Date: One Month
- VISA Status: NA
- Current Location: Pune
- Open to Relocation : Optional
