STRENGTHS:

- Extensive experience in teaching science subjects to children of age 7 to 16.
- Passion for teaching and unfailing patience for children.
- Exceptional ability to bring lessons to life and engage a room of students to become an interested and eager audience by audio visual way.
- Formulating well-balanced lesson plans that will adequately prepare students for various assessments.
- Ability to communicate with parents.
- Ability to express or impart instructions and lessons using various strategies.
- Excellent organizational skills with a certain talent for prioritizing, multitasking, and time management.
- Willingness to go beyond what is expected to ensure that each student grasps the materials given and concepts taught.
- My work experience has demanded a high standard of care and attention to detail, particularly with regard to the safety and well-being of others.
- In school, I have enjoyed working closely with colleagues to share ideas develop in cooperation and collaboration with others.

EXPERIENCE:

- **As a Co-ordinator:** I believe in empowering people so that they develop the sense of ownership in themselves. I have implied and focused on the TEAM work and making people involve and evolve as individuals so that they get self motivated and motivated by each other. I have interacted with the parents for solving their queries n soothing their problems.
- **As a science teacher:** I have emphasised the out of box thinking in the children by taking them out of the classroom and on field trips, as they learn things experientially and experimentally and acquire practical knowledge so that they can apply in their day to day life.
 - Digital learning is also another vital aid through which I have been using to teach science as children learn more effectively when they see things. I have conducted different activities to make the topics interesting.
 - I have also conducted simple experiments in the lab such as formation of rains, Demonstration of evaporation and condensation weight of Air, Movements of the Earth etc.
- **As an assembly committee Incharge:** I have conducted assemblies on different occasions like Christmas, World environment day, Diwali , Eid , Shivjayanti .I have been an active member of the assembly committee throughout to celebrate Hindi Rastrabhashya diwas, Marathi Day, Women's day assembly, remembrance to Jallianwala Bagh massacre.
- **As a Cultural Committee Incharge:** Organised different events like inter house dance and music competitions mainly organised the Founders Day of the school which was a grand success for which got a special appreciation from the management and parents.
- **As a trainer:** For the competitive exams, Olympiads, I have imparted children knowledge to prepare them for the exams at the national level.
- **As a mentor:** of International award for young I had been to an adventure camp through which children were given different tasks to do and we were there to monitor them help them do their tasks in an efficient way.
