Telly calling

*11th may 2013 - 17th September 2019*

1. In real Divya Shakti sansthan I was selling spiritual things like, Shan laxmi kawach ,navratan ring, Charan paduka ,many types of rudraksh , I worked over there 3 years

2. After that 6 month I worked in real finance service I had to sale insurance over there, on call I had to pitch my schemes ,in a month I had to sale one insurance.

In both first and second I used to call people out of Delhi in all over India,. And very important thing that I had no data for calling people I used to fail them randomly.

3.now I'm working in a education sector called uei global education I'm working here since 2017 and I have to call students for HM I receive proper database of students who wants to do Hotel management and I guide them for it , in office I have to manage students record and have to mail all details to my seniors it's also running all over India.

## PERSONAL STRENGTHS

1.i know basic computer Ms excel ,word paid ,  
mailing , data entry , internate surfing.  
2.i can also communicate professionally.  
I am a fast learner and hardworking with smartly .
